

Top 12 Funny Answering Machine Messages

Top 12 Reasons To Call Please Hold Advertising.

"Hi. Now you say something"

You will have happier customers.

"Hello. I am David's answering machine. What are you?"

You'll improve your company's image on the phone.

"Hi, John's answering machine is broken. This is his refrigerator. Please speak very slowly, and I'll stick your message to myself with one of these magnets."

Your sales will increase.

"Hello, this is Sally's microwave. Her answering machine just eloped with her tape deck, so I'm stuck with taking her calls. Say, if you want anything cooked while you leave your message, just hold it up to the phone"

Complaints will decrease.

"Hello, you are talking to a machine. I am capable of receiving messages. My owners do not need siding, windows, long distance service or a hot tub and their carpets are clean. They give to charity through the office and don't need their picture taken. If you're still with me, leave your name and number and they will

Lots of your customers will compliment you. Won't that be nice to hear all the time?

"This is not an answering machine. This is a telepathic thought-recording device. After the tone, think about your name, your reason for calling, and a number where I can reach you and I'll think about returning your call."

Some customers will actually ask you to "Please put me back on hold!"

"Heaven, God speaking."

Your financial people will love the cost.

"Greetings, you have reached the Sixth Sense Detective Agency. We know who you are and what you want, so at the sound of the tone, please hang up."

You won't have service problems because everything is digital.

"Hi, I am probably home. I'm just avoiding someone I don't like. Leave me a message and if I don't call back, it's you."

A smaller company will "sound big."

"Hi, this is George. I'm sorry I can't answer the phone right now. Leave a message and then wait by your phone until I call you back."

A big one will sound "more caring."

"If you are a burglar, then we're probably at home cleaning our weapons right now and can't come to the phone. Otherwise, we probably aren't home and it's safe to leave us a message."

You can increase customer orders right on the line while they are waiting "on-hold"

"You're growing tired. Your eyelids are getting heavy. You feel very sleepy now. You are gradually losing your ability to resist suggestions. When you hear the tone you will feel helplessly compelled to leave your name, number, and a message."

Everything is custom created for your business. Yet, it is affordable.
